

GUARANTY OF EXCHANGE INTERVALS

The producer of engine oils of brand **MOGUL** warrants the exchange intervals shown only for the aggregates which are found in an appropriate technical state.

These exchange intervals are accepted for engines with the centrifugal filtration system, for engines without this filtration system are these exchange intervals half-length.

For diesel lorries:

MOGUL DIESEL DT	(SAE 15W-40, API CG-4/SL, ACEA E2) 30.000 km, or more precisely 2 years
MOGUL DIESEL DTT	(SAE 15W-40, API CG-4/SL, ACEA E3) 50.000 km, or more precisely 2 years
MOGUL DIESEL DTT EXTRA	(SAE 15W-40, API CI-4/SL, ACEA E7/E5) 75.000 km, or more precisely 2 years
MOGUL OPTIMAL	(SAE 10W-40, API CI-4/SL, GLOBAL DHD-1) 60.000 km, or more precisely 2 years
MOGUL DIESEL DTT PLUS	(SAE 10W-40, API CI-4, ACEA E7/E4) 120.000 km, or more precisely 2 years
MOGUL DIESEL ULTRA	(SAE 5W-30, API CI-4, ACEA E7/E4) 120.000 km, or more precisely 2 years
MOGUL DIESEL L-SAPS 5W-30	(ACEA E7/E6/E4) 120.000 km, or more precisely 2 years
MOGUL DIESEL L-SAPS 10W-40	(ACEA E7/E6/E4) 120.000 km, or more precisely 2 years

For cars :

The valid regulations of individual car makers are decisive.

- the solid exchange interval of oils is : 15.000 - 25.000 km, or more precisely 2 years
- the prolonged exchange interval of oils is : most 30.000 km, or more precisely 2 years

(these intervals are accepted for oils **MOGUL EXTREME**, **MOGUL RACING**, **MOGUL GX-FE**, **MOGUL GX**)

WARNING :

The exchange intervals of oils for individual machinery is always determined by the producer of these machinery.
